

A letter to Grandparents in Brandywine School District Please Vote YES on Tuesday's Brandywine School Referendum

Grandparents understand the deep bonds we have with our grandchildren.

As parents, we met our obligations to our children – providing them with food, shelter, clothing, and, of course, love and a good education.

On Tuesday, we can continue our legacy by making sure that our grandchildren have the same opportunities to be successful as our children did.

VOTE YES on the Brandywine Capital and Operational Referendum - May 17

**Today's children deserve the same
opportunities that we and our children enjoyed.**

*– Paid for by Brandywine School District's classroom aides,
transportation aides and paraprofessional staff*
